**MEMO ENDORSED**

Re: Ucarer v. ALA Turk, Inc. et al, 19-cv-5943 (JMF)

Your Honor,

I write jointly with Defendants' counsel to apprise the Court of the current state of settlement discussions between the parties. At the last mediation session with Your Honor, the parties had agreed to exchange some material – particularly confidential material relating to Defendants' purported financial condition – in order to see if a continued mediation session with the Court would be productive.

Defendants have produced material for the review of the undersigned. However, after discussions between counsel for Defendants and Plaintiff, the parties agree that a further mediation session at this time would not likely be productive.

Counsel for the parties have a fine working relationship and the parties intend to continue discussions and to exchange information going forward. The parties do not want to burden Your Honor's calendar and defer to the Court as to whether the currently scheduled telephone conference on January 16, 2020 should be held. An initial scheduling conference has already been scheduled for February 11, 2020 and the parties will attend and continue discussions throughout the litigation.
